**Community opinion:**

There was a lengthy discussion on each location.

People felt the house was not a good choice because the traffic of lots of people and parking may become an issue.

A vote on the other two locations was taken; Two (2) persons said they would not attend the Morgan Hill location and no one disliked the San Jose location.

A motion was made to put in an offer on both locations and see which one approved us first. The motion was carried by a vote of 4-0, Motion carried.

**Other business:**

A member has asked to see the books for the South Bay Spot; under the by-laws set by the original board, any member may request access to see these. The current board will be happy to grant request once we can get the documents out of storage.

## We Have A New Location!!!

As of May 1, 2017, The South Bay Spot is the proud tenant of 1088 Myrtle Street, San Jose.

This location is 2209 Square Feet (47" x 47"), has cement floors, cinder block walls, metal roof, and at this time 1 small bathroom. There will be plenty of parking and maybe an outside courtyard for socializing.

If you look on Google Maps you will see two houses with a driveway in between. To reach us, go down the driveway and we are behind the house.

We will be given a large empty building and it will be up to all of us to figure out how to change it into a fantastic dungeon. This dungeon belongs to all of us, let's work together to make it great.

Stay tuned for more information.

## We're Back, Bitches and Ready to Party!!!

The Spot is moving into our new location at 1088 Myrtle Street in San Jose, on May 1st.

So what do you think we will do that evening? Have a quiet evening alone, reflecting on the vastness of the universe? Maybe have a quiet evening sitting in front of the TV watching a Giants game?

**HELL NO!!!**

We want to celebrate, so we are opening the doors and having a **PARTY**.

Come celebrate with us and check out the new location. Warning, it won't be that marvelous yet and it probably will be messy and disorganized. But it will have a few pieces of fun furniture to play on, plenty of area for whips to be thrown, and we are sure there will be lots of noise from happy bottoms. There might even be some of the move-in crew sleeping on the massage tables.

For this night only you don't have to have an active membership to attend, but signing in and accepting the rules and confidentiality paperwork will be mandatory.
